About Caregivers Training Grant (CTG)

The objective of the CTG is to support caregivers in their caregiving and build capability of caregivers so that they can better cope and care of the physical and socio-emotional needs of the persons with disability or senior.

Caregivers of seniors can apply for the CTG to attend training programmes, seminars or workshops (that have been pre-approved for CTG) related to caregiving of persons with disability or seniors at subsidised fees.

More information of the Caregivers Training Grant can be found at the Centre for Enabled Living website, <http://www.cel.sg/AssistanceScheme6.aspx>.

About Hua Mei Training Academy

TSAO Foundation set up the Hua Mei Training Academy Academy in 1995 to spearhead and conduct training programmes that would raise the overall level of geriatric care and care giving skills for older people.

The training academy aims to promote ageing in a positive light; by delivering positive messages that older people are worthy of respect, and are capable of living meaningful and independent lives, even as they need increasing levels of assisted living.

We specialize in conducting training for aged care and health professionals, volunteers and family care givers on a wide range of topics comprises eldercare, dementia care, health promotion and the psycho-emotional dimensions of ageing.
